Re: David and Tule Cox

Dear Pastor or Christian Worker;

I would like to recommend without reservation, David and Tule Cox for your prayerful and financial support to the field of Mexico. Their steadfastness over the years and faithfulness to the Scripture as well as, those to whom they minister is profound. Their desire for the salvation of souls and Christian growth in the converts is worthy of serious consideration by any who has a heart for carrying out the Great Commission.

The Santee Bible Baptist Church has supported David and Tule for more than 30 years. Our financial investment and prayer support for their ministry is well received by our church and people. Often, special financial designations are made in their behalf which boosts their monthly support from us. We are pleased to have them as missionaries who we support monthly.

I have personally known David for more than 35 years. His character is steadfast. His love for the Lord and ministry has shown faithfulness in some of the darkest experiences. He is very careful with his finances and his accountability is superb. His ministry extends literally to the entire world, as his pamphlets and tracts are on line over the internet and available. David and Tule have two children in their latter teenage years which are examples of the Christian heritage so exemplified by their parents.

I know that in these days taking on new missionaries or even having their work presented may be difficult, but they are worthy. I trust you may prayerfully consider having these veteran missionaries present their work to your congregation or special group meeting. May the Lord bless you as you seek His will.

Sincerely in the Lord's business,

Gene Ball
