Dear Praying friends,

Well, Kelsie and Russ have both “flown the coup” and are studying in Orlando. They couldn't go the day of their plane tickets because we needed Russ' birth certificate because he is under age. We had to purchase another set of tickets for them. Russ is studying his last year of High School, and Kelsie is in her second year of college. While we are sad to have them “gone”, we talk with them just about every day via Skype. Kelsie is staying with Pastor Letzring and family, and Russ is staying with Tule's niece which lives in Orlando. The people in Orlando Bible are very supportive. We have gotten a Pell grant for Kelsie which also helps a lot (but doesn't cover everything). Over the years, I have tried to stay on the field working rather than spending the majority of my time in the states raising funds, and it has/is costing us. **Please pray for us, that God would provide for us here in Mexico, and also for Kelsie and Russ in the US. Please pray for our protection and financial provision, especially for our kids education.**

Our church family December 2013

We are glad to see some 5 people ready for their baptism the sixth of September. **Praise! Please pray for these new Christians**, especially for Laura and Lorenzo which are having difficulties with coming to church with two little ones on public transportation. Lorenzo is a policeman and works every other Sunday, so Laura has to come alone.

We continue to “rebound” from **the robbery**. The worse thing about it is the loss of peace of mind. We have reinforced our doors, changed locks, and put in some security features, but after it all, I told Tule, the only security we really have is God protecting us. **Thank you for praying for our protection!** God has provided new laptops for both Kelsie and Russ through the generous donations of many. Thank you all. We also were able to repay the church's money that was taken. I am looking at TV closed circuit cameras as God provides funds for that.

**Please pray for our evangelism and outreach activities.** I feel that Satan is causing us problems both personally and in our church because of what we are doing in this area of evangelism. **Partner with us to pray for this work, that Satan would not hinder the advancement of the Gospel.**

In Christ,

Pastor David Cox

### Prayer Requests: Mexico City Mexico

1. Please pray for **contentious wives** of several of our members. They are probably not saved, and they are not attending or they are attending Pentecostal churches. They are causing great conflict in their families. Julio and Maria, Marco Antonio and Sonya, Hugo and Nellie.
2. Please pray for **two policemen** in our congregation. Mexican police typically are into corruption because the system is corrupt and forces everybody in it to respond or get crushed. Both of these men are trying to be a policeman without giving in to this. Eduardo and Lorenzo.
3. Please pray for our **preachers**. None have really had any formal training, and they are doing their best. Marco Antonio, Luis Flores, Luis Ramos, Adolfo, Julio, Esteban, Edgar,
4. Please pray for our church, because we are considering **looking for an assistant/youth pastor** to help me, and eventually take over the work. We want God's guidance and direction.
5. Please pray for several families that have **single mom families**. Conception, Claudia, Citlali.
6. Please pray for **our intermediates and teens**. We are trying to get them their own Sunday School class, but we lack teachers who are interested and called. Our teens are very uninterested in church, and this discourages greatly those who work with them. Some come to church because their parents force them.
7. Please pray for **my health**. This past 14 months I have had 3 pinched nerves, rotor cup dislocation, and carpal tunnel syndrome. Besides that, I am diabetic and have high blood pressure. I am trying to juggle a dozen things at once, among them to be pastor, father, and husband.
8. Please pray for our **continued ministering**. We have seen Satan oppose our ministry and us personally. Just this summer, we have had 2 car accidents, the church was flooded, our house was robbed and church funds were stolen, and the list goes on. I feel this is because of our stand for the Gospel and our mass evangelism efforts. Satan doesn't like that, and he opposes us.
